FEATURED FUNDING OPP. | All Funding Opportunities

**Pilot Projects Program Funding**

The RCMI Coordinating Center Clinical Research Pilot Projects Program is intended to provide funding, on a competitive basis, for hypothesis-driven clinical research projects led by inter-institutional collaborative teams of multiple principal investigators (MPIs) from two or more RCMI U54 Centers, along with at least one Mentor and at least one Collaborator from RCMI and/or non-RCMI grantee institutions.
